Adobe® Acrobat® Reader® Tips

This documentation CD-ROM is designed to work best with Acrobat Reader software version 4.05 or higher with the search option.

We recommend that you uninstall earlier versions of Acrobat Reader from your hard drive then directly install the Acrobat Reader software with search option provided on this CD-ROM, in the Acrobat Reader folder.

Note: Acrobat Reader is also available free of charge from Adobe's Website at http://www.adobe.com/products/acrobat/readstep2.html

Document pdf files on this CD-ROM have been indexed to work with the Acrobat Reader's search option. Use the tool bar in Acrobat Reader to help you view, search and print document pdf files.
